JESSE M. FURMAN, United States District Judge:

As stated on the record during the teleconference held earlier today:

- Plaintiff shall file any motion for leave to file a second amended complaint within 30 days of the date of this Order.
- Defendants shall, within seven days of Plaintiff's motion, confer with one another and Plaintiff and file a letter:
 - stating whether there are grounds to oppose the proposed amendment separate and apart from the failure to state a claim; and
 - proposing a briefing schedule for any motion to oppose the proposed amendment and/or any motion(s) to dismiss, including but not limited to any motions pursuant to Rules 12(b)(1), 12(b)(6), and 17 of the Federal Rules of Civil Procedure.
- Defendants shall file a letter-motion to stay discovery, not to exceed five pages, within three days of any motion to dismiss; Plaintiff shall file any opposition, not to exceed five pages, within a week of such a letter-motion. Discovery is stayed pending the Court's decision on that motion.
- Unless the Court grants prior leave to do otherwise, all defense submissions shall be made jointly — i.e., on a consolidated basis. Put differently, if any Defendant believes that there are independent bases for a motion that call for separate briefing, that Defendant must seek leave to file separately.

SO ORDERED.
